86%

World Pac serves Fortune 500 and Fortune 1000 companies, commercial printers and corrugated converters, as well as health care and food service companies. In May, the company was named to Fortune's 2013 Inner City 100, a list of the fastest-growing inner city companies in the U.S. "We have experienced our rapid growth over this time frame due to increases in both current and new customers," said CEO Edgar Smith.
